NOTICE GRADE 8-12 PARENTS/GUARDIANS

PAYMENT:

- **A mandatory minimum (initial payment) of R650.00 is payable by ALL parents/guardians before text books will be handed to a learner.** Parents will be obliged to pay the amount of R650, 00 on the 15 January 2020, the date on which the school resumes.
- It was found that learners cannot read with understanding, which is a big problem. During a governing body meeting held on Tuesday, 21 August 2018, it was decided to address the problem. This leads to big problems with regard to their academy. A reading program provided by Stimulus Maksima were used for the benefit of your child from 2019. A portion of the above mentioned amount will be again used for this.
- The reading program will therefore be compulsory for your child for the full year.
- **We ask you to visit the pay office to make an arrangement, if necessary.**

This is a reminder that textbooks, drawing boards and all resources are lent to the learner with the intention that learners use them respectfully. All textbooks must be covered neatly and be handed in at the end of the year in the same condition as they were received. **Lost and/or damaged school property must be paid.**

During a budget meeting held on October 21, 2019, the school fees of **R12 000.00** for 2020 were approved.
